PANTRIES

A well organized pantry is a “must have” for the pampered chef, aspiring “foodie” or short-order cook with a growing family. As the kitchen is often the central meeting place in any house, proper organization is essential to prevent overcrowding and mess.

For the ultimate in pantry storage, try the NEW 360 Organizer® Pantry. Available for either corner or wall installation, it is shorter and narrower than the other 360 Organizer® models and fits very well into a small pantry closet or integrated into kitchen cabinetry. Like all 360 Organizers®, the unit spins smoothly and silently through manual rotation.

MUDROOMS & LAUNDRY ROOMS

*White Laminate with Aspen Fronts and
Traditional Base and Crown Moulding*

People and families with busy lives need an easy storage solution for jackets, shoes, book bags, sports equipment, accessories and more.

A well organized mudroom allows you to keep everything in one place, where it is easily accessible and out of the way.

Laundry is a chore that everyone must do, yet rarely do we think about how to make this task easier or more enjoyable. Transform wasted space into a new laundry room or modify your existing space with a custom design to maximize laundry storage and functionality — even dirty clothes need a place to go.

The wood series is available pre-finished in white, cocoa, corretto cherry, ivory, moonlight, morning dew, rain cloud and shiraz cherry. They are also available unfinished.

Wood doors, drawer faces and mouldings feature the natural beauty of real woods. Part of the beauty comes from the irregularities in color and grain. Thus, variations among component parts are to be expected. Wood finishes are fragile and require the same care as any wood furniture.
